ADC-HM/GF

HDMI (M) to 15-pin HD (F) Adapter Cable

ADC-HM/GF is an HDMI™(M) to VGA(F) adapter cable. Short and flexible in design, this active cable converts a digital HDMI signal to an analog video signal while outputting the HDMI audio to a separate stereo audio output.

ADC-HM/GF is perfect for connecting an HDMI-equipped desktop PC or laptop to a VGA display or projector with a resolution of up to 1920x1200@60Hz

FEATURES

Max Resolution - 1080p

Analog Audio Output - 2-channels

Plug and Play Installation - No software required

Powering Options - Receives power from the HDMI port bus power, with optional micro-USB auxiliary power, as needed
