

# KRAMER

## ADC-DM/DF+GF

DVI-I (M) to DVI-D (F) & 15-pin HD (F)  
Adapter Cable

---

Kramer's ADC-DM/DF+GF is a short two-headed cable, approximately 1 foot in length, designed to break out digital DVI and analog VGA signals from a compatible DVI source

## FEATURES

---

**Quality Construction** - Molded connectors, rugged jacket, and gold plated connectors are used for outstanding performance and long life

**Compatibility** - Some DVI output cards are able to output both DVI-D (digital) and DVI-A (analog) either simultaneously or independently. This adapter provides access to both formats. Always verify compatibility details for the source/destination in your application
