to digital paging.**

ezIP Communication Panel EZ-TCH with CB Mic

The Valcom ezIP Communication Panel is designed to streamline emergency notifications to your audience. The Communication Panel can store pre-recorded emergency notifications such as evacuate, lockdown and shelter-in-place, so that you can quickly broadcast audio and visual emergency alerts throughout your facility. Engineered for easy installation, featuring a lightweight yet durable aluminum housing.

VIP Software Upgrade Pathways

Upgrade Communication Panel to full VIP functionality with **EZ-SUTCTVIP***

**Scheduler available when upgraded to VIP*

EMERGENCY NOTIFICATIONS

Quickly activate emergency alerts
Pin code access for security protection

VEEWS
