7ft. 4-Post Distribution Rack

Features and Benefits:

- Designed with aluminum construction, black powder coated, lightweight and sturdy, making it ideal for installing voice and data equipment such as patch panels, active components, shelves, drawers, and cable management products creating a neat structured and organized cabling system.
- Adjustable from 27" minimum to 32" maximum depth.
- Provides 45 rack mount spaces on front and rear side for mounting different types of equipment.
- Compatible with ICC's Rack Floor Mount Kit (ICCMSRFLKT).
- Additional racks can be ganged on the sides if necessary.
- Printed rack mount spec numbering for easy installation.
- Used with all of ICC's rack mount products.
- Installation instructions
