Built for Microsoft Teams. Optimized for Mobile Work

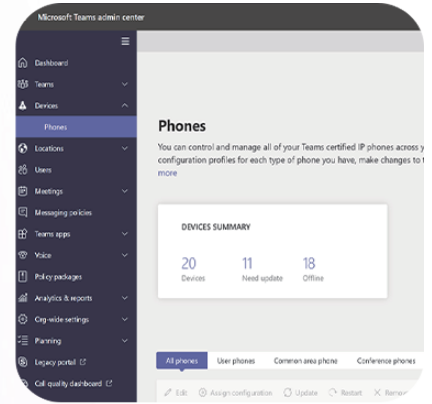

Reach the Right People Faster

Access **Teams** contacts, **speed dial**, and **call history** while leveraging real-time presence status for more efficient communication.

Deploy Faster with Less Complexity

Skip traditional SIP Gateway onboarding with native Teams provisioning and centralized policy assignment for **simplified deployment**.

Manage Device From One Place

Configure devices remotely, push firmware and app updates, restart devices, and monitor diagnostics and device history-all through the **Microsoft device management platform**.

MDEP Security Foundation

Designed for the Real World

Featuring a **2.8-inch color display** for clear visibility in different working environments, **USB Type-C fast charging**, and an **effortless charging cradle design** for daily deployment, MP66W is built to support mobile professionals with greater convenience, flexibility, and efficiency throughout the workday.

Effortless
Charging Cradle

Rugged Where It Matters

Built for demanding environments, MP66W features IP67-rated protection with waterproof, dustproof, and 1.8 m drop-resistant durability – enhanced by antimicrobial and chemical-resistant materials for reliable everyday performance.

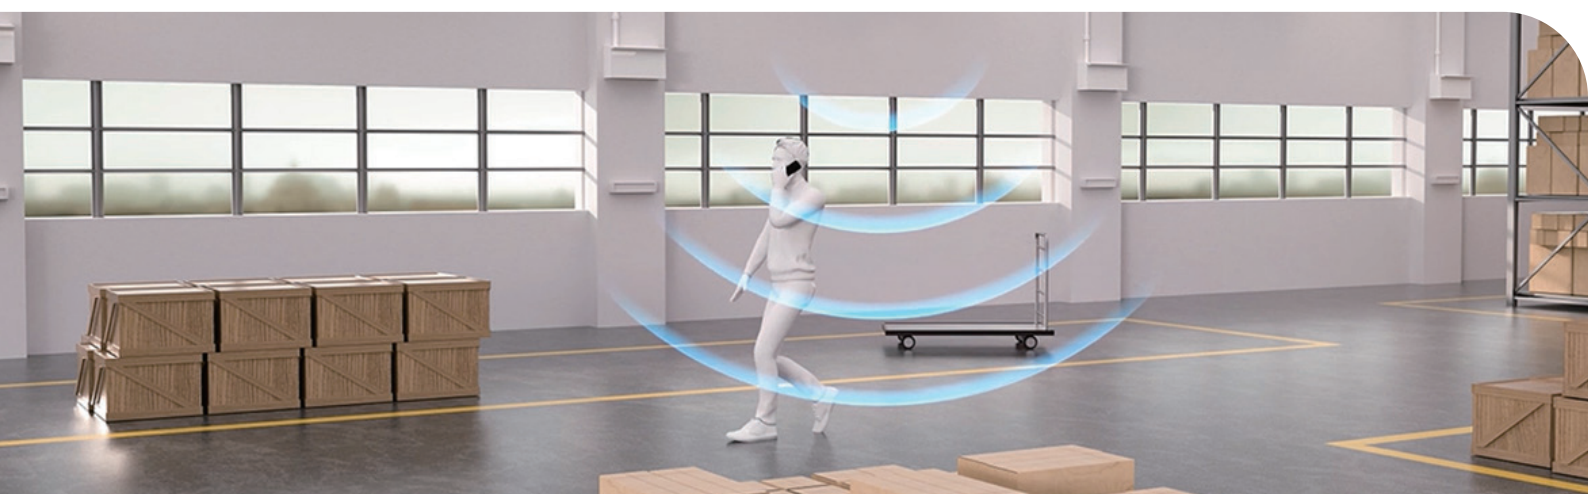

Stay Connected with Next-Generation Wi-Fi 6E

With tri-band Wi-Fi 6E (coming soon), MP66W adds access to the 6 GHz band on compatible enterprise networks, giving IT teams more flexibility to **manage congestion, capacity, and coverage** for mobile Teams users.

Stay Connected Wherever Work Takes You

Move freely across workspaces while staying fully connected - MP66W ensures instant handover between access points with no call drop.

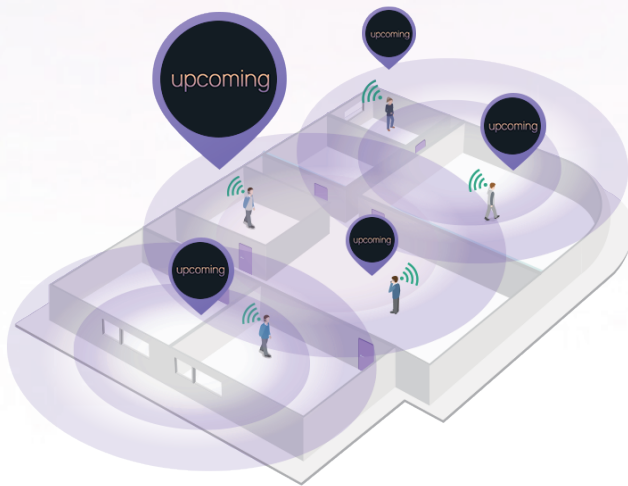

Hear Every Word Clearly

With **AI Noise Cancellation**, MP66W filters out background noise in real time, delivering consistently clear and natural communication in any environment.

Push-to-Talk. Instant response.

With one press, MP66W delivers instant push-to-talk communication for fast response and team coordination.

All-day Power with No Interruption

With up to **8 hours** of talk time, **80 hours** of standby (in ideal conditions), and fast 2.5-hour full charging, MP66W ensures uninterrupted communication in frontline operation.

8h talk

80h standby

Removable and
Replaceable Battery

One-Touch Emergency Alert.

Built for critical environments, MP66W supports instant **emergency calling** via a **programmable action button** for enhanced frontline safety.

 Critical Care Escalation

 Rapid Incident Reporting

 Frontline Safety Alerts

Yealink MP66W Specification

Physical Features

Battery	3000mAh Rechargeable Lithium-ion Battery, 3.85V, 11.55Wh
Talk Time	Up to 8 hours (Laboratory data)
Standby Time	Up to 80 hours (Laboratory data)
IP Rated	IP67
Drop test	Safe drop height: 1.8 m
Material	Antibacterial design, chemical cleaning resistant
Handset Size	160.9 x 58.8 x 21.5 mm
Handset Weight	220 g

Network and Roaming

Network Standard	Built-in tri-band 2.4G/5G/6G Wi-Fi 6E, IEEE802.11a/b/g/n/ac/ax
Frequency Range	2.4GHz / 5GHz / 6GHz
Roaming	IEEE802.11 k/v/r fast roaming for seamless millisecond network switching
Bluetooth	Built-in Bluetooth for headset
IP Protocol	IPv4/IPv6, Static/DHCP IP assignment, Proxy mode
Security	TLS 1.3; HTTPS certificate manager; WPA/WPA2-PSK, WPA3-PSK, WPA2/WPA3-Enterprise; IEEE 802.1X; AES encryption for configuration file

Display and Indicator

LCD	2.8-inch 240x320 TFT color screen (non-touch)
Backlight	Keypad backlight
Indicator	Power LED for call and message waiting indication
Presence	Available, busy, DND, be right back, off work, appear away

Phone Features

Call	Incoming/Outgoing P2P call, Cloud PSTN call
Bluetooth	Built-in Bluetooth 5.3 for headset
Call Controls	Call hold/mute/transfer/forward; Visual voicemail; Synchronized call logs; Add/remove participant
Vibration Alarm	Ring vibration, Wi-Fi disconnect vibration
Multi-line	Supported
Emergency Call	Supported
Others	Phone lock/unlock; Accessibility; Screensaver; Common Area Phone (CAP)

Audio Features

HD Voice	HD handset, HD speaker
Full-duplex Speakerphone	Full-duplex hands-free speakerphone with AEC
HAC Compliant	Hearing aid compatible (HAC) handset
AI Noise Cancellation	Dual mic noise cancellation with Acoustic Shield
Audio Codec	SILK, G.722, G.722.1, G.722.1C, G.711(A/u), G.723, G.726, G.729AB, iLBC, ARES
Voice Processing	VAD, CNG, AEC, PLC, AJB, AGC

Function Keys

Soft Keys	4 soft keys
Feature Keys	4 feature keys: speaker, off-hook, on-hook, mute
Programmable Key	Programmable action key, side key
Other Keys	Volume control keys; Navigation keys, OK key
