

Electriduct Wall Mount Server Network Cabinets

2U Wall Mount Cabinet Contents (Part: QWM-ED-2U-N)

- All wall mount network cabinets include mounting rails to give complete adjustability and a key lock pre-mounted on the front door for security
- Available in 5 different sizes to suit a variety of different networking applications
- Equipped with 2" punchouts* on the top and bottom panels for easier routing of your cabling
- Vented side panels for passive airflow helps to keep equipment running efficiently at cooler temperatures
- Includes hardware to make your installation easier, including keys (typically taped to the cabinet), cage nuts, 12-24 screws, and rubber grommets to cover punchout sharp edges

*Punchouts are easier removed from the inside to make equipment inaccessible by someone trying to puncture it from the outside.

Part #	Size (Rack Unit)	Exterior Dims. L x W x H (inches)	Interior Dims. D x W x H (inches)	Load Capacity (lbs.)	Weight (lbs.)	Color
