Yealink ZenOffice 38 Bluetooth Headset

The Yealink ZenOffice 38 is a premium Bluetooth headset with Hybrid Active Noise Cancellation (ANC), designed for professionals who demand outstanding performance across work, commuting, and everyday life. Featuring an innovative Hidden Boom Arm, it combines a professional business appearance with a sleek everyday design, seamlessly adapting to both business and personal use.

Equipped with Hybrid ANC, a 4-microphone array, and Yealink's 3rd-generation AI Intelligent Microphone Noise Cancellation technology, the ZenOffice 38 effectively suppresses background noise in open offices, cafés, and other dynamic environments, ensuring clear and natural conversations wherever you work. Powerful 40 mm speaker drivers deliver rich, immersive sound for calls, music, and multimedia.

An ergonomic over-ear design, premium protein leather ear cushions, and a leather-wrapped headband provide lasting all-day comfort while enhancing passive noise isolation. Combined with long battery life, Bluetooth 6.0, and an enhanced Busylight, the ZenOffice 38 is built to keep professionals connected, comfortable, and productive throughout the day.

Key Features

Hidden Boom Arm for Business & Lifestyle

The innovative Hidden Boom Arm seamlessly switches between business and personal use. Extend the boom for professional meetings and crystal-clear voice pickup, or retract it for a clean, stylish

appearance during commuting, travel, or entertainment. One headset effortlessly adapts to every part of your day.

4-Mic AI Noise Cancellation for Crystal-Clear Calls

Powered by Yealink Acoustic Shield Technology, the ZenOffice 38 features 4 microphones with AI-powered noise cancellation to accurately capture your voice while reducing surrounding distractions such as conversations, keyboard typing, and office noise. Stay confident in every meeting, even in open and noisy workspaces.

Hybrid ANC for Better Focus Anywhere

Hybrid Active Noise Cancellation offers Standard ANC, Deep ANC, and Transparency Mode, allowing users to easily adapt to different environments. Whether working in an open office, traveling on public transportation, or collaborating in shared spaces, ZenOffice 38 helps you stay focused while remaining aware when needed.

40mm Premium Audio for Work and Entertainment

The large 40 mm dynamic speaker delivers rich bass, clear vocals, and balanced sound performance, ensuring exceptional audio quality for conference calls, online meetings, music, and multimedia entertainment.

Premium Over-Ear Comfort for All-Day Wear

Designed with an ergonomic over-ear structure, premium protein leather ear cushions, and a leather-wrapped headband, the ZenOffice 38 distributes pressure evenly while improving passive noise isolation. The result is exceptional comfort for extended meetings and all-day productivity.

Long Battery Life & Enhanced Busylight

Enjoy up to 26 hours of talk time and 47 hours of music playback, reducing charging interruptions throughout the workday. The enhanced single-side Busylight automatically signals your busy status during calls and meetings, minimizing distractions and improving workplace productivity.
